The mistakes identified in the appended Form occurred through no fault of the Applicant, as clearly disclosed by the records of the application, which matured into this patent. Enclosed for your convenience are the relevant portions of the specification as filed, two Information Disclosure Statements that were initialed by the examiner on August 5, 2002 and March 13, 2003, an amendment filed in the Patent and Trademark Office on September 9, 2002, and an Examiner's Amendment showing the claims and dependencies being renumbered by the Examiner.
